**Re: Lattice Incorporated - SC Telecommunications Authority
Docket No. 2015-413-C**

Dear Ms. Boyd:

Please note that the application of Lattice, Inc. contains a typographical error on page 7 in the final paragraph. The paragraph incorrectly asks for “flexible regulatory treatment of its local exchange services.” Lattice does not seek to be certificated as a competitive local exchange carrier. Therefore, this reference is incorrect. The company proposes to provide only specialized inmate telecommunications services within South Carolina. If you have any questions, please have someone on your staff contact me.

Very truly yours,

ROBINSON, MCFADDEN & MOORE, P.C.
